7 TERM AND TERMINATION

7.1 Term

The applicable Agreement commences on the Effective Date as described therein and will remain in full force until the expiry of the Initial Term or any Renewal Term (both as further described in the applicable Agreement), unless terminated earlier in accordance with the terms of such Agreement.

7.2 Renewal Term

Except as otherwise agreed between the Parties, at the end of the Initial Term the applicable Agreement will automatically renew for a term of the same duration (the “Renewal Term”) unless the Client notifies SKYTRAC of its intention not to renew the Agreement not less than ninety (90) days in advance of the end of the Initial Term or any renewal thereof. All terms and conditions of the Agreement will continue to apply during the Renewal Term as if it were the Initial Term, except for the Fees, Rates and Prices, which will be subject to adjustment for each Renewal Term.

7.3 Termination

For purposes of this Section, the following terms have the following definitions:

7.3.1 “Client Event of Default” means

- (a) if the Client fails to perform any of its material obligations or contravenes any provision under the applicable Agreement; or
- (b) if SKYTRAC, in its sole discretion considers Client to be unacceptable credit risk and becomes unable to pay its debts, or if the Client enters into liquidation, makes an arrangement with its creditors, becomes subject to an administration order or a receiver or administrative receiver is appointed over all or any of its assets or takes or suffers to be taken any similar action in consequence of a debt, ceases or threatens to cease trading or is dissolved, or any procedure equivalent to any of the preceding matters occurs in any other jurisdiction with respect to the Client.

7.3.2 “SKYTRAC Event of Default” means:

- (a) if SKYTRAC materially and repeatedly fails to perform any of its material obligations under the applicable Agreement; or
- (b) if SKYTRAC enters into liquidation, makes an arrangement with its creditors, becomes subject to an administration order or a receiver or administrative receiver is appointed over all or any of its assets or takes or suffers to be taken any similar action in consequence of a debt, ceases or threatens to cease trading or is dissolved, or any procedure equivalent to any of the preceding matters occurs in any other jurisdiction with respect to SKYTRAC.

7.3.3 If the Client commits a Client Event of Default, and (where the breach is capable of being remedied) that breach has not been remedied within thirty (30) days after receipt of notice giving full particulars of the breach and requiring the Client to remedy it, does not cure such breach or failure to the reasonable satisfaction of SKYTRAC,

then SKYTRAC may, in addition to any other rights and remedies available to it in law or equity, terminate the applicable Agreement upon providing the Client with written notice (the “Default Notice”).

7.3.4 Upon the occurrence of a Client Event of Default and after providing the Client with the Default Notice, SKYTRAC may require the Client to provide payment (or other form of security acceptable to SKYTRAC) for SKYTRAC’s works in progress arising in connection with the applicable Agreement.

SKYTRAC may also, at its sole discretion, terminate, restrict or suspend the Services or use of the System immediately and without notice if:

7.3.5 Its invoices are not paid when due and after notification of such overdue invoices, or Client’s use of the Services, in SKYTRAC’s sole opinion, adversely affects functionality, quality or availability of the System.

7.4 Client may terminate the Services at any time without notice if SKYTRAC commits a SKYTRAC Event of Default and does not cure such breach or failure to the reasonable satisfaction of the Client within a period of ninety (90) calendar days after the date of receipt of notice from the Client specifying such breach or failure.

- 7.5 Termination or expiry of the applicable Agreement shall not affect any rights or obligations which may have accrued prior to termination or expiry. The obligations of each Party set out in any clause intended to survive such termination or expiry shall continue in full force and effect notwithstanding termination or expiry of the applicable Agreement.
- 7.6 Either party may, in the event of an Event of Default, terminate all or any part of the applicable Agreement at any time by notice in writing specifying the extent of termination and the effective date (the “**Termination Notice**”).
- 7.7 Effect of Termination. Unless otherwise agreed, upon termination of the applicable Agreement, all access by the Client to the System and Services will be cancelled and terminated and be of no further force or effect. Termination will not relieve either Party from any liability arising from any breach of the applicable Agreement. Neither Party will be liable to the other for damages of any kind solely as a result of terminating the applicable Agreement in accordance with its terms, and termination of such Agreement by a Party will be without prejudice to any other right or remedy of a Party thereunder or applicable law. The obligations of each Party set out in any clause intended to survive such termination or expiry shall continue in full force and effect notwithstanding termination or expiry of the applicable Agreement.

8 WARRANTY

8.1 Equipment. SKYTRAC warrants that the Equipment shall be free from defects in materials and workmanship for a period of twelve (12) months from the date of delivery to the Client provided that the alleged defects are not immaterial deviations from the agreed quality and do not arise from normal wear and tear or damage arising from faulty or negligent handling, excessive strain, unsuitable use, or claims based on particular external influences not contemplated by the applicable Agreement. During the applicable warranty period for the Equipment, SKYTRAC agrees to either repair or replace (at its option), the Equipment within a reasonable time at no additional cost. SKYTRAC further warrants that all Services will be performed in a competent manner with reasonable skill and care in accordance with industry standards at the time of completion. Notwithstanding this Section, it is the Client’s responsibility to verify that the Services are suitable for the Client’s intended use and are consistent with the Client’s operations and practices regardless of whether the Services are selected by the Client on the recommendation of SKYTRAC or its Representatives.

SKYTRAC will have no liability under this Section in connection with any non-performance or degradation of the Services arising from: (a) the combination of the Services with any other products not supplied by SKYTRAC if the non-performance or degradation would not have occurred but for the combination; or (b) the modification by Client of the Services if the non-performance or degradation would not have occurred but for the modification.

8.3 SKYTRAC MAKES NO OTHER WARRANTY, EXPRESS OR IMPLIED, REGARDING THE EQUIPMENT OR SERVICES, AND EXPRESSLY DISCLAIMS ANY SUCH WARRANTY, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS, ABSENCE OF DEFECTS OF DESIGN OR MANUFACTURE, FAULT-FREE OR CONTINUOUS OPERABILITY OR SERVICE AND THOSE ARISING FROM ANY CUSTOM, CONDUCT, USAGE, TRADE OR OTHERWISE.
